1. Frequently Bought Together for Magento 2 Extension Overview

[Frequently Bought Together for Magento 2 extension](#) effectively boosts sale by suggesting products that are commonly bought together. The list of items can be chosen from related, cross-sell, up-sell products, or the hand-pick products set admin. The extension can use purchase history to track product commonly sold together and add them to the frequently block.

2. How Does Frequently Bought Together for Magento 2 Extension Work?

2.1. Set Frequently Bought Together List for Product

Go to **Product** → **Catalog** → **Product Edit Page** → **Related Products, Up-Sell, Cross-Sells and Frequently Bought Together.**

Cross-Sell Products

These "impulse-buy" products appear next to the shopping cart as cross-sells to the items already in the shopping cart.

[Add Cross-Sell Products](#)

Frequently Bought Together Products

Frequently Bought Together products are shown to customers in addition to the item the customer is looking at.

[Add Frequently Bought Together Products](#)

< 1 of 1 >

| ID | Thumbnail | Name | Status | Attribute Set | SKU | Price | Actions |
|----|---|-----------------------|---------|---------------|---------|---------|------------------------|
| 5 |  | Rival Field Messenger | Enabled | Bag | 24-MB06 | \$45.00 | Remove |
| 7 |  | Impulse Duffle | Enabled | Bag | 24-UB02 | \$74.00 | Remove |
