NOT LOGGED IN ▼	300	Delete																			
Retailers ▼	800	Delete																			
Minority Client ▼	2000	Delete																			
WholeClient ▼	3000	Delete																			
		Add Minimum amount																			

In **Enabled**, choose Yes to enable the extension or No to disable it.

In **Minimum Amount**, choose customer group and decide minimum order amount for each group. You can also add more group or delete any unwanted group if needed.

2.2. Set notification message

Description Message	<div style="border: 1px solid #ccc; padding: 5px; min-height: 150px;">You must have at least \$300 in total to check out successfully</div>
	<p>▲ This message will be shown in shopping cart when subtotal after discount less than minimum amount.</p>
Error to Show in Shopping Cart	<div style="border: 1px solid #ccc; padding: 5px; min-height: 150px;">Subtotal must exceed minimum order amount</div>

In **Description Message**, enter a message for customers to notify them about your requirement of minimum order amount.

In **Error Show in Shopping Cart**, enter a notification to announce customer about their insufficient order subtotal.

When the module is enabled, if customers' order amount is less than the requirement set by admin, a message will be displayed to remind adding enough order value.
